Table 1: Frequency distribution and numerical averages of the overall evaluation summary and comparison with Gettysburg College Economics Department. The summary and the comparison shows the following three questions:

- “What is your overall rating of this instructor?”
- “What is your overall rating of this course?”
- “How much do you think you’ve learned from this course?”

For the instructor and the course rating, the choices are “excellent,” “very good,” “good,” “fair,” and “poor.” “Excellent” is assigned a score of 5 whereas “poor” is assigned a score of 1. For the how much learned question, the choices are “a great deal,” “a lot,” “a fair amount,” “a little,” and “very little.” “A great deal” is assigned a score of 5 whereas “very little” is assigned a score of 1.
